COURSE OVERVIEW

Support Coordination is a 2-day intensive, interactive practical workshop for people just starting out in their role.

What You'll Gain:

- 2-day virtual workshop via Zoom
- The boundaries of your role — what you should and shouldn't expect to take on
- Case noting and managing billable hours
- Quality and safeguarding obligations, including code of conduct, duty of care, conflict of interest and working with public guardians, advocates, trustees and nominees
- How to handle Support Coordination scenarios effectively
- Vital NDIS information (and where to go to find the answers to questions you'll have down the track)
- Best practices and disability rights
- Reporting requirements
- How to support different types of plan reviews
- How to read and interpret an NDIS plan

Who May Enrol:

- People with 0 – 6 months experience as a Support Coordinator
- People considering stepping into a Support Coordination role
